---

### PROFILE

I am enthusiastic about pursuing a career in website design. I have experience in creating websites using HTML, CSS and Javascript. My portfolio includes successful academics and freelance projects, showcasing my skills in design.

---

### WORK EXPERIENCE

#### Web Design

As a junior Web Designer, I have actively contributed to responsive web design projects, collaborating with senior designers and developers. Proficient in design tools like HTML, CSS and JAVASCRIPT. My responsibilities include implementing responsive design principles, conducting quality assurance checks, and engaging in ongoing learning. Notable projects include the redesign of a corporate website and enhancement to an e-commerce product page.

#### Digital Marketing

As a Digital Marketing Assistant, I have contributed to content creation, analytics, and campaign coordination. Highlights include successful social media and email marketing campaigns, as well as improvement in SEO rankings.
